## **Knights of Columbus, Tonti Council #1567 to host Baby Bottle Program**

After mass, The Knights of Columbus, Tonti Council #1567 will be hosting a baby bottle project to help fund the Fr. Michael J. McGivney Center of Hope and Healing. The Fr. McGivney Center, named after the founder of the Knights of Columbus, will provide care to women in difficult situations, who carry their babies to term, through provision of transitional housing, spiritual nurturing and other care for mothers and their children in need, and all in accordance with the teachings of the Catholic Church.

We ask that you take a baby bottle home with you, fill it with your change and return it to church on Mother's Day weekend May 12-13<sup>th</sup>. Thank you for your support.

## **Some helpful tips when processing the baby bottles**

Review the Council Recap Sheet before beginning the processing of baby bottles. We would like to gather this information to see what the average bottle collection is and the success of this program in general

Save the boxes that the bottles arrived in as you will need them to pack up the bottles. Call (773) 895-8337 for a pickup of empty boxes.

**If you have questions please call (773) 895-8337 and speak to Dale Smith.**

Once again, we thank you and your council for their support of life and your hard efforts in helping us establish the Fr. Michael J. McGivney Center of Hope and Healing
